General Rules

- The workshop is exclusively open to school students.
- All participants must carry a valid school ID card and complete the registration process prior to the commencement of the workshop.
- The number of seats is limited; registration will be accepted strictly on a first-come, first-served basis.
- All necessary materials and equipment will be provided by the organizers.
- The use of mobile phones or personal electronic devices during the workshop is strictly prohibited.
- Participants are required to follow all instructions provided by the workshop facilitators and staff.
- Any disruptive behaviour or non-compliance with the rules may result in immediate removal from the workshop.
- The decision of the organizers shall be final and binding in all matters.

Attendance

- Full attendance is mandatory in order to receive the participation certificate.
- Participants are expected to be punctual and attend all scheduled sessions without exception.

Workshop Sessions

- The workshop will focus on the fundamentals of automation and practical applications of connecting tools.
- Hands-on activities will be conducted to ensure an interactive and engaging learning experience.

Certification

- Certificates of participation will be awarded only to those participants who attend all sessions and actively engage in the workshop activities.

Cancellation

- In case a registered participant is unable to attend, the organizers must be informed at the earliest opportunity so that the seat may be allocated to another student.
